2018

To whom it may concern,

The Tocumwal Lions Club are willing to provide the following land for the purpose of building ambulance facilities in the town of Tocumwal.

1. Land behind the Lions Care Centre which has access from Kelly Street, or
2. Land in Deniliquin Street beside the Police Station.

The Tocumwal Lions Club are also willing to provide access to the Lions Care Centre in Adams Street, which contains kitchen and toilet facilities, for the use of Ambulance staff.

If a permanent Ambulance station is built, there is also the possibility that accommodation for Ambulance staff could be provided.

Regards,

Sandra Williams
President
Lions Club of Tocumwal & District
