Dear Minister

Re: Petition - "Fully Operational Ambulance Station in the Tocumwal Township"

Thank you for your response (M18/4671) on behalf of the Tocumwal Steering Committee regarding their request for an ambulance station to be established at Tocumwal.

Although the Committee were disappointed in your response, they continue to advocate on behalf of the community.

Accordingly, the Ambulance for Tocumwal Steering Committee request I provide to you:

1. Petition - 2,152 signatures;
2. Letter from the Lions Club of Tocumwal stating their intention to provide land for the purposes of building an Ambulance Station; and
3. A plan showing the layout of the Lions Club Care Centre site and the aforementioned land, along with a google earth photo of same.

Yours sincerely

Austin Evans, MP
