Subject: RE: HETI Networks issue - SNSW LHD

You don't often get email from [REDACTED] [Learn why this is important](#)

Hello Jenny

I will do some further investigating and talk to Claire and Jo Burnand. Jo is now our Deputy Director for the Medical Portfolio and you may remember her from Greater Southern days a. She, like me, is still resident in Canberra.

If I can understand what the issues are from the network side there may be things we can do from the RG team side too.

It is good to see the hubs getting across all of the local issues.

Will get back to you and give me two weeks to investigate.

Kind regards

Maggie
