

**Tracey Lee McCosker PSM**

## Current role

---

**Hunter New England Local Health District**

April 2023 – current

Chief Executive

Responsible for all services across the district, from small rural community health centres, to major tertiary referral hospitals. Hunter New England Local Health District provides services to a community of approximately 1 million people. I work closely with the executive team and the Board to ensure our services meet the diverse needs of the communities we serve.

### Key responsibilities

- Management of an expenditure budget in excess of \$3 billion per annum.
- Responsible for health services across an area of more than 130,000 square kilometres, overseeing approximately 18,000 employees.

## Recent experience
