

**Dr Paul Craven BSC, MBBS, MRCP, FRACP**

## Current role[s]

---

HNELHD, Executive Director of Children Young people and Families, Medical Services and Networks and Stream HNELHD Feb 2019 –current

The Executive Director CYPFS involves the strategic planning and management of children’s services across HNELHD, as well as the Child Health Network Northern, spanning the Central Coast to Northern NSW.

The role is a Tier 2 Executive, reporting to the CEO and is involved in the development of the HNE Strategic Plan as well as that for Children Young People and Families.

In the role of Executive Director of CYPFS, I co-chair the CYPF Executive Steering Committee, for NSW Health, with Deputy Secretary of Health System Strategy and Planning.  
I also sit on the ACI Paediatric Executive.
