## Case Study 3

## Case Study 5 -1

- Brought on Everlight reputation for overnight & weekends.
- Outsourced backlog.
- Rec on replacing old equipment.
- Rec on rotating practices.
- Registrar's & Canterbury hospital - no senior clinicians on site.

## Governance

- Report notes statement and findings performed a high std. & high pass rate.
- Language on Mtg steps O/S of scope.
- Rec 1A & 3 - Cultural review & response made to the college. Calls this outrageous. Thinks the college has "bought into" the dispute between clinical & Mtg.
- Rec 1B - unclear where F&G Benchmarking came from. They are not far behind others in NSW Health.
- Discussion about outcomes.
- Governance, cultural, communication. Confidently, they have been asking for people to report actual cases.
