

Mr Joseph Jewitt

Current role

Sydney Local Health District General Manager
Concord Repatriation General Hospital (acting) September 2022 - current

The position is responsible for planning, directing and managing the operations and resources of the Concord Repatriation General Hospital to ensure the safe, effective and efficient provision of high-quality health services.

Set, monitor and review budgets, systems, policies and procedures for the Hospital to ensure the cost effectiveness and quality of health services, the ongoing achievement of clinical standards, optimisation and available resources and tight cost control.

Maintain an effective program of clinical quality and safety for the delivery of clinical services; and seek and support opportunities for innovation.

Contribute to the development and implementation of key service delivery and resource management plans for SLHD including the Strategic Plan, Clinical Services Plan and the Workforce Strategic Plan

Maintain an appropriate range and mix of suitably qualified and credentialed staff to deliver the services relevant to the role of hospital, appoint executive managers within the Hospital, establish their performance agreements, advise and counsel them and oversee their development and performance to ensure they contribute to organisational objectives at the required level.
