Dear Dr Estall

I write in response to your letter of 15 February 2023 concerning accreditation of Central Coast Cancer Centre (Gosford Hospital) for Radiation Oncology Training, specifically, your request for a copy of the full External Culture Review report.

Central Coast Local Health District (the District) has a responsibility to maintain the privacy and confidentiality of staff involved in the external review. As such, it would be a breach of our privacy obligation to release the full report to the College. The Radiation Oncology community is small, and our staff provided feedback under the assurance of confidentiality.

The District appreciates that the College needs to assess the Central Coast Cancer Centre's suitability for training. We are willing to meet with you and other relevant members of the Accreditation Committee to discuss the outcomes of the external review that are relevant to the remit of the College.

To coordinate a suitable meeting time, please contact Ms Carley Wilson, Administration Assistant, Cancer Services Directorate on Email: [REDACTED]

Yours sincerely

Prof Steevie Chan
District Director Medical Services
