Dear Dr Estall

I write in response to your letter of 23 February 2023 concerning the provision of a copy of the External Culture Review report in support of accreditation of the Central Coast Cancer Centre (Gosford Hospital) for Radiation Oncology Training.

We are currently working with the Central Coast Local Health District's Privacy & Rights to Information Officer to develop an appropriately redacted version of the report to ensure we maintain privacy of our staff.

Given the relatively small size of the Radiation Oncology community, we request written confirmation of your Conflict of Interest process and assurance around confidentiality of the report, specifically that it will not be provided to anyone outside of the review team.

Yours sincerely
