Dear Prof Chan,

**Re: Accreditation of Central Coast Cancer Centre (Gosford Hospital) for Radiation Oncology Training**

Dear Prof Chan,

Thank you for your response of 1 March 2023.

The College is happy to receive a redacted version of the report for privacy reasons, and is more interested in the findings, conclusions and recommendations.

I confirm that the report will only be made available to the review team and relevant College staff involved in the process. It may be that a non-identifying report might be extracted to highlight the issues, conclusions and recommendations for the benefit of the ROETC, which must ultimately consider the matter.

If so, the College will ensure that no potentially identifying material will be included, and that such a report would be a high-level summary to be used solely for the purposes of the accreditation.

I would be happy to discuss this with you if that would be helpful. I attach a link to the [RANZCR Conflict of Interest Policy | RANZCR](#).

Yours Sincerely,

Dr Vanessa Estall  
Chief Accreditation Officer  
Faculty Radiation Oncology
