Subject: Letter from ASMOF to CRGH Medical Staff Council

Hi Rosalba,

Can you please send this ASMOF letter to the MSC members, as discussed at the MSC members meeting on 13th April 2023?

The letter advises the MSC of the ASMOF meeting that took place on 23rd March 2023, which discussed assertions regarding bullying and harassment.

My understanding is that one of the triggers for the ASMOF meeting was that ASMOF noted a significant increase in membership applications, enquiries and requests for advice from doctors at Concord Hospital.

If MSC members want to know more details about the issues, I suggest they contact an ASMOF member who was present at the meeting.

We will discuss this matter at the next MSC members meeting on 11th May 2023.

My view is this matter is of sufficient concern to warrant an independent external investigation.

Thanks.

Regards,

Winston
