**Re. Matters arising from No Confidence Vote in the Chief Executive of the Sydney Local Health District (SLHD), and proposed meeting of the Concord Repatriation General Hospital (CRGH) Medical Staff Council (MSC) members, and Nursing and Allied Health Staff at Concord Hospital with the Board of the SLHD.**

Dear Mr Ajaka and Board Members of the SLHD,

Thank you for your letter dated 4<sup>th</sup> July 2023, in response to our recent vote of no confidence in the Chief Executive of the SLHD.

I would like to circulate this letter to the Medical Staff Council (MSC) members for their consideration.

Please provide me with written confirmation that you are happy for me to circulate this letter to them.

Because of the current school holidays, and staff being on leave, the earliest that I can convene an MSC meeting of the members at Concord Hospital to discuss this matter further, in a manner that ensures adequate representation and engagement, is Thursday 20<sup>th</sup> July at 5pm.

I would like to discuss this matter with the MSC members before I meet with you, the two board members, and Mr Phil Minns, Deputy Secretary People Governance and Culture, Ministry of Health, as proposed in your letter. This is to ensure that my meeting with you accurately reflects the broad concerns of the MSC members.

I therefore request that we move the proposed meeting from the 19<sup>th</sup> July 2023 to a date and time of your convenience after our MSC meeting on the 20<sup>th</sup> July 2023.

Please do not hesitate to contact me with any queries.

Yours Sincerely,

Winston Cheung,
