Winston

In response to your queries below:

Can I please confirm with you that:

- 1 Your company has not been contracted formally by NSW Health (or other entity) to investigate the problems at Concord Hospital.
- 2 You have only been contracted to mediate an improvement in the workplace environment and culture.

Is that correct?

The above are both correct. We are not undertaking a workplace investigation, and we have been contracted to mediate an improvement in the workplace environment and culture at Concord Hospital.

Hope this helps and could you pls confirm receipt of this email to both my addresses, as we are currently experiencing some small difficulties with our emails.

With thanks. John
