Subject: Vote of no confidence in SLHD Board and NSW Health leadership

Dear Medical Staff Council Members,

On **Thursday 28th September 2023 at 5pm** there will be a Concord Repatriation General Hospital Medical Staff Council meeting via videoconferencing.

At this meeting I will ask for a discussion on two motions of no confidence.
At the end of the discussion I intend to move the two motions.

The first will be a motion of no confidence in the Sydney Local Health District Board.
The second will be a motion of no confidence in the NSW Health leadership.

I do not believe the manner in which the SLHD Board and NSW Health have handled the grievances of CRGH Staff which led to the vote of no confidence in the SLHD Chief Executive in June is consistent with the expectations of the Concord Repatriation General Hospital Medical Staff Council and the Concord Repatriation General Hospital staff.

I do not believe the manner in which the SLHD Board and NSW Health have handled the grievances of CRGH Staff which led to the vote of no confidence in the SLHD Chief Executive in June is consistent with the expectations of our patients, their families, or the Concord Repatriation General Hospital community.

The vote of no confidence will be held at a subsequent Concord Repatriation General Hospital Medical Staff Council meeting via videoconferencing on **Thursday 12th October 2023**, by secret ballot using secure internet voting.

Because of the significance of this vote, I request that all members of the Concord Repatriation General Hospital Medical Staff Council attend the meetings.

I request that members who wish to speak to this matter do so at this upcoming meeting.

Regards,

Winston Cheung
