Dear John,

Thank you for your work at Concord Hospital.

Can you please provide me with an email or written summary/dot points of the major achievements, progress or breakthroughs that ProActive ReSolutions has made at Concord Hospital since starting its "Culture Review"?

I will table this update at the last Concord Hospital Medical Staff Council Meeting for the year, in December.

Many thanks.

Regards,

Winston Cheung

Morning Winston

I will certainly do that and would like to present it in person to the MSC. I'm also keen to catch-up with you next week when it suits and Hin Wah in my office will be in contact to organise that. Can you let me know what the date of the Dec MSC meeting is pls. Cheers. John
