Subject: Updates for MSC meeting 22 February

Dear John,

Happy New Year.

Can you please provide the Medical Staff Council with the following updates, which I will table at the next MSC meeting with the Executives on Thursday 22 February 2024?

- 1 A written summary of ProActive ReSolution's major achievements and major breakthroughs at Concord Hospital since starting its "Culture Review"?
- 2 The official end date of ProActive ReSolution's "Culture Review"
- 3 Written update on whether the MSC members' only meetings, without executive representatives being present, have been approved.

I will distribute your response to the Medical Staff Council.

Thanks.

Regards,

Winston Cheung

Subject: Updates for MSC on ProActive ReSolution

Dear John,

Can you please provide the Medical Staff Council with the following updates and information?

- 1 A written summary of ProActive ReSolution's major achievements and major breakthroughs at Concord Hospital since starting its "Culture Review"?
- 2 The official end date of ProActive ReSolution's "Culture Review"
- 3 Written update on whether the MSC members' only meetings, without executive representatives being present, have been approved.

I will distribute your response to the MSC members.

Your response dated 29 November 2023 to my email stated that you would provide me with an email or written summary/dot points of the major achievements, progress or breakthroughs.

I haven't received the written summary as yet.

I sent you emails requesting the information above on 26 March 2024, 22 March 2024, and 13 February 2024, but haven't received a reply.

If you are unable to provide this information please let me know, and I will inform the MSC members.

Many thanks.

Regards,

Winston Cheung
