Dear John,

Thank you for your call on Friday (26 April 2024).

Just to confirm my understanding of our discussions:

- 1 ProActive ReSolutions won't be providing a written report to the MSC of its major achievements or major breakthroughs of its "review" of Concord Hospital.
- 2 ProActive ReSolution's contract for its "review" at Concord Hospital officially finished at the end of March 2024.
- 3 ProActive ReSolution's contract has not been renewed.
- 4 The request for the Concord Medical Staff Council to have its own members only meetings without Executive presence has not been approved.

We have an MSC meeting this Thursday 2 May.

Please confirm that my conclusions above are correct so I can let the MSC members know.

If these above responses are inaccurate please let me know.

I intend to table your reply with the MSC members.

Thank you.

Regards,

Winston Cheung
