Overview**Experience****Academic Appointments**

Head of School, Graduate School of Health, Faculty of Health, University of Technology Sydney	2023-present
Professor in Clinical Psychology, Graduate School of Health, Faculty of Health, University of Technology Sydney	2022-present
Acting Head of School, Graduate School of Health, Faculty of Health, University of Technology Sydney	2021-2023
Acting Associate Dean-International, Faculty of Health, University of Technology Sydney	2021
Deputy Head of School - Research, Graduate School of Health, University of Technology Sydney	2020-2022
Associate Professor in Clinical Psychology, Graduate School of Health, University of Technology Sydney	2018-present
Director of Research and Innovation, Graduate School of Health, University of Technology Sydney	2017-2019
Senior Lecturer in Clinical Psychology, Graduate School of Health, University of Technology Sydney	2014-2017
Senior Lecturer in Psychology and Course Coordinator, School of Psychology, Australian Catholic University	2013-2014
Conjoint Lecturer (Honorary), Faculty of Science and Information Technology, University of Newcastle	2008-2015
Honorary Associate, Faculty of Medicine, University of Sydney	2006-2015
Honorary Lecturer & External Unit Organiser, Sub-Department of Clinical Health Psychology, University College London	2000-2003
Honorary Lecturer - DCLinPsych Program, University of East London	2000-2003
Honorary Lecturer - MSc in Human Performance, University College London	1999-2003
Honorary Lecturer - MSc in Oral and Maxillofacial Surgery, Eastman Dental Hospital	1999-2003

Non-Academic Employment

Clinical Psychologist (Part time), Northern Private Pain Centre, North Shore Private Hospital	2012-present
Program Director, Innervate Pain Management, Hunter Specialist Medical Centre	2005-2012
Senior Clinical Psychologist, ADAPT Pain Management Program, Pain Management and Research Centre, Royal North Shore Hospital	2003-2005
Consultant Clinical Psychologist / Joint Head of Pain Services, Camden and Islington Community Health NHS Trust	1998-2003
Clinical Psychologist, INPUT Pain Management Unit, St. Thomas' Hospital	1996-1998
Clinical Psychologist, Department of Clinical Health Psychology, St. Mary's Hospital	1995-1996
Clinical Psychologist, Department of Liaison Psychiatry, Prince Henry Hospital	1994-1995

Education

Degrees

PhD in Clinical Psychology University of London	1999
Masters in Clinical Psychology (Awarded with Merit) University of Sydney	1993
Bachelors of Arts (Hons Second Class Division One) University of Sydney	1989

Postgraduate Training

Leadership & People Management Programme, King's College London, United Kingdom.	2023
--	------

Language Competencies

Can read, write, speak, understand spoken and peer review English

Memberships

Vice-Chancellor's Awards for Research Excellence	2021-2022
Chancellors Post Doctoral Research Fellowship Selection Committee	2021
Tender Capability Project	2021-present
Agency for Clinical Innovation Pain Management Network	2020-present
NSW Rural Doctors Network - Advisory Group member	2020-present
DVC-Research Faculties Research Committees Working Group	2020-present
Centre for Health Technologies Executive Committee	2020-present
Australian Stuttering Research Centre Management Committee	2019-present
National Prescribing service PainWise Opioid De-prescribing Initiative	2019
Dean's Management Group - Faculty of Health	2019-present
HDR Process Automation Committee	2019-present
100 Broadway Clinic Operations Group	2018-2019
UTS 2027 Research Strategy Working Party	2018-2019
UTS HDR Thesis Examination Committee	2018-present
Clinical Psychology Research Committee	2015-2018
RAO Research, Discipline of Clinical Psychology	2014-2017
Research Committee on Student Participation	2014-2015
Clinical Governance Committee for Clinical Training Courses	2014-2015
NSW Health ClinConnect Working Party	2014-2015
Motor Accident Authority and NSW WorkCover	2010-present
Psychology Board of Australia	1994-present

Teaching Activity

Courses developed

Pain Neuroscience and Management	2017
----------------------------------	------

Courses taught

Assessment Across the Lifespan, course code: 96049 - Guest Lecturer	2015-2020
Clinical Health Psychology, course code: 96050 - Subject Coordinator	2015-2019
Advanced Clinical Skills 1, course code: 96053 - Subject Coordinator	2015-2019

Research-based degree supervisions

Joint supervisor, Understanding Treatment Histories, Barriers and Preferences for Individuals with Symptoms of Generalized Anxiety Disorder (GAD), Basile V	2024
Lead supervisor, Cognitive Flexibility and Outcomes in Chronic Pain Management, Roux L	2024
Joint supervisor, Development of a Post-Professional Competency Framework for Chronic Pain Management, Shepherd S	2023
Joint supervisor, Death Anxiety and its Relationship with Suicidality, Sims M	2022
Joint supervisor, Upskilling and training non-technical skills of community clinicians working with children challenged by chronic pain., Norton J	2022
Joint supervisor, The Role of Genetic Counselling in Meeting the Needs of Patients with Neurodegenerative Diseases, Crook A	2022
Joint supervisor, The CODECS Study: The Development of a Core Outcome Set for Reproductive Genetic Carrier Screening, Richardson E	2022
Lead supervisor, Mindfulness and Chronic Pain Management, Shires A	2021
Joint supervisor, The Language of Chronic Pain, Munday I	2021
Lead supervisor, Creativity and Psychosis Spectrum Disorders: Temperament Similarities and Differences, Crabtree J	2020
Lead supervisor, The Impact of Comorbidity and Clinical Complexity on Retention in HIV Care, Bulsara S	2020
Joint supervisor, Using Digital Health Technology to Optimise Older People's Pain Self-Management Capabilities: Dignitech-Pain Project, Bhattarai P	2020
Lead supervisor, Social Media and Body Image Disturbance in Adolescent Women, Cohen R	2020
Lead supervisor, The Role of Resilience in Adjustment and Coping with Chronic Pain, Mason C	2014
Lead supervisor, Treatment Expectancy in Individuals with Chronic Pain Attending a Pain Management Program, Quarmby L	2011
Lead supervisor, Predicting Pain Variation in Neuropathic Versus Musculoskeletal Pain, Barry A	2009
Lead supervisor, Adjustment to Chronic Pain: The Relationship Between Early Childhood Experience, Early Maladaptive Schemas and Coping Style, Jamani N	2003
Lead supervisor, The Role of Anger Expression and Anger Experience in Chronic Pain Patients, McGillion J	2003

Professional Activity**Editorial Roles**

Editorial in Canadian Journal of Pain	2021-present
Editorial in Australian Psychologist	2013-2016

Book Editorships

Clinical Pain Management	2008
--------------------------	------

Reviewing / Refereeing

Journal of Rheumatology	2023-present
-------------------------	--------------

Rehabilitation Psychology	2023-present
Canadian Journal of Pain	2023-present
Journal of Palliative Medicine	2022-present
International Journal of Environmental Research and Public Health	2022-present
Ageing and health research	2022-present
BMC Health Services Research	2022-present
Pain Medicine	2022-present
Journal of Clinical Psychology in Medical Settings	2021
Pediatrics	2021-present
European Journal of Cancer Care	2020
European Journal of Psycho-Oncology	2020-present
Clinical Journal of Pain	2019-present
British Journal of Pain	2019-present
Families, Systems and Health	2017
Journal of Health Psychology	2017
Diabetic Medicine	2017
BMJ Open	2017
Chronic Illness	2016
BMC Research Notes	2016
Journal of Back and Musculoskeletal Rehabilitation	2015-present
Advances in Mental Health	2015-present
European Journal of Pain	2015-present
Journal of Affective Disorders	2015-present
Disability and Rehabilitation	2015-present
Journal of Pain	2015-present
Australian Psychological Society Annual Scientific Conference	2014-2018
Pain Reviews	2000-2003
Awards and Prizes	
UTS Distilling Research Impact Initiative Award	2019
Research Mentoring Scheme	2013
Medical Books Competition Award	2009
Advisory, Consultancy or Expert Witness Appointments	
Centre for Health Technologies, University of Technology Sydney	2020-present
UTS Genetic Counselling Industry Advisory Board	2018-present
UTS Physiotherapy Industry Advisory Board	2017-2020
Trium Pty Ltd	2016-present
Relationships Australia	2015-present
UTS Clinical Psychology Industry Advisory Board	2015-present
Medical Advisory Board for Australian Trigeminal Neuralgia Associations	2003-2007
Medical Advisory Board for United Kingdom Trigeminal Neuralgia Association	2002-2003
Community Contributions	
Education / Training, Lecture on the management of pain to Polio Society of NSW	2016

HDR Thesis Assessments

Psychological Stressors in the Pain Experience: The Development of a Pain-Validation Scale	2020
My Back My Plan. An individualised primary care program for acute low back pain	2020
Development of a tool to assess a child's concept of pain	2020
Socio-cultural and contextual variables in medical consultations between a doctor, an elderly patient, and the patient's companion in Vietnam	2019
The role of attentional bias in the development of persistent low back pain.	2018

Offices Held

Academic Liaison Officer - GSH	2016-2017
--------------------------------	-----------

Industry Presentations

Overview of communication skills for physiotherapists: theory and practice

Memberships of a Statutory Committee

Australian Catholic University School of Psychology Advisory Committee	2017
UTS Clinical Psychology Industry Advisory Board	2016-present
UTS Physiotherapy Industry Advisory Board	2016-present

Grants

Medical Research Future Fund, The Emotional Recovery Program: A randomised controlled trial to investigate the efficacy of internet-delivered dialectical-behavioural skills training to improve emotional wellbeing and pain intensity in individuals with chronic pain, \$1,468,444	2024-2029
Medical Research Future Fund, Our Recovery – A consumer-led, evidence-based online program to optimise pain self management in the community, \$591,639	2024-2026
Medical Research Future Fund, StoPain: A randomised placebo-controlled trial to investigate the efficacy of an advanced interactive brain-computer interface neuromodulation treatment for spinal cord injury neuropathic pain [MRFF MIA], \$60,312	2022-2027
Commonwealth Department of Health and Aged Care, Evaluation of the Million Minds Mental Health Initiative, \$203,893	2021
National Health & Medical Research Council, NeuroGame: Can neuromodulation of brain rhythms relieve chronic pain?, \$55,286	2021-2025
Medical Research Future Fund, Developing a Comprehensive Care Pathway for those at Risk of Suicide But Not In Care: the Under the Radar Project, \$52,600	2020-2024
Agency for Clinical Innovation, Prevalence and needs of individuals with chronic pain attending residential rehabilitation for alcohol and other drug problems, \$26,030	2020-2021
Cancer Institute NSW, Risks versus benefits from opioids prescribed to people with cancer and pain: How should Australian policy and practice respond to international alarm?, \$14,800	2019-2021
Maridulu Budyari Gumal - The Sydney Partnership for Health, Education, Research and Enterprise (SPHERE), EEG Neurofeedback as a Treatment for Spinal Cord Injury Pain: A Pilot Study, \$40,000	2019-2021
National Health & Medical Research Council, A methodological review of clinical guidelines relating to the diagnosis and management of work-related mental health conditions in general practice., \$12,856	2018
North Queensland Primary Healthcare Network Limited, Northern Queensland Primary Health Network After Hours Pharmacy, \$230,000	2017-2018
NSW Health Administration Corporation, Program Evaluation - Odyssey House, \$74,014	2017-2019
Relationship Australia, Development of training video for Relationships Australia, \$0	2015
