

Luke Bellman

Current role

Nepean Blue Mountains Local Health District, Director Finance & Corporate Services August 2021 –current

I manage 140 employees through six direct reports and oversee financial governance and compliance for NBMLHD. Together with the Chief Executive and LHD Board, I am accountable for the governance and oversight of a \$1.1BN expenditure budget. I am directly accountable for financial governance in NBMLHD and compliance with the Conditions of Subsidy prescribed by the Secretary. My role includes leading financial recovery plans, partnering with the executive team to optimize value for money, and ensuring assets are maintained for effective service delivery.
