

Mrs Lynelle Hill

Current role

18 December 2023 – Current

Director Women Children and Families Directorate, Central Coast Local Health District

The position is responsible to:

- Initiate and implement strategic and operational plans for the Women, Children and Families portfolio in line with strategic directions of NSW Health and Central Coast Local Health District (CCLHD).
- Maintain innovative, contemporary, and responsive services that are integrated across the health and social care sectors.
- Prepare and coordinate high level reports and correspondence for the portfolio.
- Ensure coordination of care and standardisation of clinical practice with a focus on better care outcomes through care that is targeted to the needs of individuals.
- Respond to a complex and changing environment by ensuring accountable, efficient, and flexible service design and delivery.
- Actively monitor progress towards achievement of strategic priorities and vision, and compliance with National Safety and Quality Health Care Standards and Work Health and Safety legislation.
- Develop and implement clinical governance, planning, policy, service review and evaluation, accreditation, clinical redesign, patient flow and innovation to support efficient and effective patient care.
- Demonstrated commitment to Caring for the Coast vision, goals and strategies, with demonstrated behaviours which align with the NSW Health CORE values and CCLHD Values and behaviours charter.
