Subject: RE: Strategic Review: Final Report to inform 6 November meeting

Dear Rob

I am looking forward to meeting with you on 6 November 2023 to discuss the Review conducted by Avertis Consulting.

At that meeting we would like to discuss the findings from the Review as well as next steps. We are attaching in advance of the meeting a copy of the final Review report. **Please note the report is not for further distribution at this time.**

Please contact Deb Matha if you have any questions.

Kind regards

Tish
