

Service Agreement 2023-24

An agreement between the
Secretary, NSW Health and
St Vincent's Hospital Sydney Limited
(St Vincent's Health Network)
for the period 1 July 2023 - 30 June 2024

NSW Health Service Agreement – 2023-24

Principal purpose

The purpose of the Service Agreement is to set out the service and performance expectations for funding and other support provided to St Vincent’s Hospital Sydney Limited (St Vincent’s Health Network, the Organisation), to ensure the provision of equitable, safe, high quality and human-centred healthcare services. The St Vincent’s Health Network comprises the following company:

St Vincent’s Hospital Sydney Limited (ACN 054 038 872), in relation to its recognised establishments, St Vincent’s Hospital, Darlinghurst, Sacred Heart Health Service, Darlinghurst and St Joseph’s Hospital (Auburn) declared by an order pursuant to section 62B of the Health Services Act 1997 (NSW) to be recognised as the St Vincent’s Health Network (referred to in this Agreement as “St Vincent’s Health Network” or “Network” or “Health Service” or “Organisation”).

The Agreement articulates direction, responsibility and accountability across the NSW Health system for the delivery of NSW Government and NSW Health priorities. Additionally, it specifies the service delivery and performance requirements expected of the Organisation that will be monitored in line with the NSW Health Performance Framework.

Through execution of the Agreement, the Secretary agrees to provide the funding and other support to the Organisation as outlined in this Service Agreement.

1. Legislation, governance and performance framework

1.1 Legislation

The *Health Services Act 1997* (the Act) provides a legislative framework for the public health system, including the recognition of affiliated health organisations. Under the Act St Vincent's Hospital Sydney Limited is an affiliated health organisation in respect of three recognised establishments and services: St Vincent's Hospital, Darlinghurst; Sacred Heart Health Service, Darlinghurst and; St Joseph's Hospital (Auburn). In respect of their recognised establishments, the affiliated health organisations are “public health organisations” as defined in the Act.

St Vincent’s Hospital Sydney Limited is recognised as a network under the Act for the purposes of the National Health Reform Agreement.

Under the Act, the Health Secretary’s functions include: the facilitation of the achievement and maintenance of adequate standards of patient care within public hospitals, provision of governance, oversight and control of the public health system and the statutory health organisations within it, as well as in relation to other services provided by the public health system, and to facilitate the efficient and economic operation of the public health system (s.122).

Under the Act the Minister may attach conditions to the payment of any subsidy (or part of any subsidy) (s.127). As a condition of subsidy all funding provided for specific purposes must be used for those purposes unless approved by the Health Secretary.

The *Health Services Act 1997* allows the Health Secretary to enter into performance agreements with Local Health Districts and Affiliated Health Organisations in relation to the provision of health services and health support services (s.126).

The St Vincent’s Health Network supports NSW Health’s core values in the operation of the Network. However, NSW Health acknowledges that the values of the Network are determined by the Board of St Vincent’s Health Australia (SVHA) and are set out in the St Vincent’s Health Australia Code of Conduct as amended from time to time. The values currently described in the Code of Conduct are compassion, justice, integrity and excellence.

NSW Health acknowledges that the Network:

1. operates facilities under the care and stewardship of Mary Aikenhead Ministries and are part of the healing ministry of the Catholic Church. A significant part of the mission of the Network includes the provision of services to the poor, disadvantaged and marginalised members of the community; and
2. must (including in its delivery of services and clinical planning) act in accordance with the Code of Ethical Standards for Catholic Health and Aged Care Services in Australia, the St Vincent's Health Australia Code of Conduct and operate under the vision, mission and ethical framework of Mary Aikenhead Ministries.

NSW Health acknowledges that St Vincent’s Hospital Sydney Limited operates St Vincent’s Correctional Health at the Parklea Correctional Centre through a relationship with MTC Broadpectrum and Corrections NSW, but it is not allocated activity or funding from the NSW Health under this Agreement.

1.1.1 Memoranda of Understanding

The Minister for Health of the State of New South Wales, South Eastern Sydney Area Health Service, St Vincent's Hospital Sydney Limited and Sacred Heart Hospice Limited entered into a Memorandum of Understanding dated 11 March 2003.

St Joseph's Hospital Limited and Western Sydney Area Health Service entered into a memorandum of Understanding dated 4 September 2003. (Collectively, "**2003 MOUs**")

The assets of Sacred Heart Hospice Limited and St Joseph's Hospital Limited were transferred to St Vincent's Hospital Sydney Ltd on 1 July 2013 as part of a company consolidation. Under Schedule 3 of the Health Services Act 1997 St Vincent's Hospital Sydney Limited is identified as an Affiliated Health Organisation and Sacred Heart Health Service, St Joseph's Hospital (Auburn) and St Vincent's Hospital (Darlinghurst) are listed as corresponding recognised establishments or services. The Order declaring St Vincent's Hospital Sydney Limited to be recognised as the St Vincent's Health Network was published in the NSW Government Gazette No 67, Week 23/2013, p 2353.

The relevant parts of the "2003 MOUs" (as they continue to apply to the Minister for Health and St Vincent's Hospital Sydney Limited) remain in effect, subject to the comments below.

- The parties acknowledge that the funding arrangements of this Agreement supersede the funding arrangements in the "2003 MOUs".
- Funding is provided directly from the Minister, via the Secretary, NSW Ministry of Health and the National Health Funding Authority to St Vincent's Health Network and arrangements are no longer through the South Eastern Sydney Local Health District.
- The affiliated health organisation forming St Vincent's Health Network are companies incorporated under the Corporations Act 2001 (Commonwealth) ("Corporations Act") and regulated under the Australian Charities and not for Profit Commission Act 2012 (and related regulations) and the directors and officers of the company have statutory governance and compliance obligations under that legislation. The company and directors and officers rely upon this Agreement and the 2003 MOUs for the purposes of discharging their duties under the Corporations Act, including in relation to solvency.
- The St Vincent's Health Network must act in keeping with the Code of Ethical Standards for Catholic Health and Aged Care Services in Australia and the St Vincent's Health Australia Code of Conduct.
- The "2003 MOUs" contain important recognitions concerning the company forming St Vincent's Health Network and also forming part of the St Vincent's Health Australia Group (previously known as the Sisters of Charity Health Service). The parties acknowledge that these recognitions are not intended to be amended by the terms of this Agreement.

Subject to the Agreement and the "2003 MOUs", St Vincent's Health Network agrees to comply with the requirements of applicable Government and Ministry of Health conditions, policies and procedures which are notified to the St Vincent's Health Network and are relevant to non-declared affiliated health organisations. Where an affiliated health organisation forming part of the St Vincent's Health Network considers a particular condition, policy or procedure notified to St Vincent's Health Network is not referable to it, it will notify the Secretary and will provide reasons and the parties will work together to seek to resolve outstanding issues (if any).

St Vincent's Health Network has advised the NSW Ministry of Health of its decision to decommission St Joseph's Hospital. St Vincent's Health Network and Western Sydney Local Health District are facilitating transition of health services from St Joseph's Hospital to Western Sydney Local Health District. The Service Agreement will provide adjusted funding for St Joseph's up to and including the date of de-commissioning and transfer of health services, and associated funding, to Western Sydney Local Health District.

1.2 Variation of the agreement

The Agreement may be amended at any time by agreement in writing between the Organisation and the NSW Ministry of Health.

The Agreement may also be varied by the Secretary or the Minister in the exercise of their general powers under the Act, including determination of the role, functions and activities of Local Health Districts (s. 32).to be communicated in writing to the Organisation.

Any updates to finance or activity information further to the original contents of the Agreement will be provided through separate documents that may be issued by the Ministry of Health in the course of the year.

1.3 Conditions of Subsidy

The Organisation is required to comply with the various Conditions of Subsidy set out in the *Financial Requirements and Conditions of Subsidy (Government Grants)*.

1.4 National Agreement

The National Cabinet has reaffirmed that providing universal healthcare for all Australians is a shared priority and agreed in a Heads of Agreement for public hospitals funding from 1 July 2020 to 30 June 2025. That Agreement maintains activity based funding and the national efficient price.

1.5 Governance

The Organisation must ensure that all applicable duties, obligations and accountabilities are understood and complied with, and that services are provided in a manner consistent with all NSW Health policies, procedures, plans, circulars, inter-agency agreements, Ministerial directives and other instruments and statutory obligations.

1.5.1 Clinical governance

NSW public health services are accredited against the *National Safety and Quality Health Service Standards*. The Organisation will complete a Safety and Quality Account inclusive of an annual attestation statement as outlined in the Standards (Version 2.0) by the 31 December each year.

The *Australian Safety and Quality Framework for Health Care* provides a set of guiding principles that can assist health services with their clinical governance obligations.

The NSW Health *Patient Safety and Clinical Quality Program* (PD2005_608) provides an important framework for improvements to clinical quality.

1.5.2 Corporate governance

The Organisation must ensure services are delivered in a manner consistent with the *NSW Health Corporate Governance and Accountability Compendium*.

1.5.3 Procurement governance

The Organisation must ensure procurement of goods and services complies with *NSW Health Procurement* policy (PD2022_02).

1.5.4 Aboriginal Procurement Policy

The NSW Government supports employment opportunities for Aboriginal people, and the sustainable growth of Aboriginal businesses by driving demand via government procurement of goods, services and construction. NSW Government agencies must apply the *Aboriginal Procurement Policy* to all relevant procurement activities.

1.5.5 Public health emergency preparedness and response

The Organisation must comply with standards set out in Public Health Emergency Response Preparedness Minimum Standards (PD2019_007) and adhere to the roles and responsibilities set out in Early Response to High Consequence Infectious Disease (PD2023_008)

1.5.6 Performance Framework

Service Agreements are a central component of the NSW Health Performance Framework which documents how the Ministry of Health monitors and assesses the performance of public sector health services to achieve expected service levels, financial performance, governance and other requirements.

2. Strategic priorities

The delivery of NSW Health strategies and priorities is the responsibility of the Ministry of Health, health services and support organisations. These are to be reflected in the strategic, operational and business plans of these entities.

It is recognised that the Organisation will identify and implement local priorities to meet the needs of their respective populations taking into consideration the needs of their diverse communities and alignment with the broader NSW Health strategic priorities. In doing so they will:

- work together with clinical staff about key decisions, such as resource allocation and service planning
- engage in appropriate consultation with patients, carers and communities in the design and delivery of health services.
- The Organisation’s local priorities for 2023-2024 are set out in the St Vincent’s Darlinghurst Integrated Healthcare Campus Clinical Services Strategy.

2.1 Future Health: Strategic Framework

The *Future Health Strategic Framework* is the roadmap for the health system to achieve NSW Health’s vision.

Strategic priorities

Strategic outcomes	Key objectives
 <p>The health system is managed sustainably: The health system is managed with an outcomes-focused lens to deliver a financially and environmentally sustainable future.</p>	<p>6.1 Drive value based healthcare that prioritises outcomes and collaboration 6.2 Commit to an environmentally sustainable footprint for future healthcare 6.3 Adapt performance measurement and funding models to targeted outcomes 6.4 Align our governance and leaders to support the system and deliver the outcomes of Future Health</p>

The framework is a reflection of the aspirations of the community, our patients, workforce and partners in care for how they envisage our future health system. The Strategic Framework and delivery plans will guide the next decade of care in NSW from 2022-32, while adapting to and addressing the demands and challenges facing our system. There will be specific activities for the Ministry of Health, health services and support organisations to deliver as we implement the Future Health strategy, and services should align their strategic, operational and business plans with these Future Health directions.

2.2 Regional Health Strategic Plan 2022-32

The Regional Health Strategic Plan (the Plan) outlines NSW Health’s strategies to ensure people living in regional, rural and remote NSW can access high quality, timely healthcare with excellent patient experiences and optimal health outcomes. The Plan aims to improve health outcomes for regional, rural and remote NSW residents over the next decade of , from 2022 to 2032.

Regional NSW encompasses all regional, rural and remote areas of NSW. There are nine regional local health districts in NSW: Central Coast, Far West, Hunter New England, Illawarra Shoalhaven, Mid North Coast, Murrumbidgee, Northern NSW, Southern NSW and Western NSW. Some areas of other local health districts may also be considered regional for the purpose of the plan such as South Western Sydney and Nepean Blue Mountains. The Regional Health Strategic Plan is also supported by the metropolitan local health districts and by the Specialty Health Networks which have patients in many regional locations.

The Regional Health Plan Priority Framework outlines a suite of targets for each Strategic Priority, to be achieved in the first time horizon of the Plan (years 1-3).

PRIORITIES	KEY OBJECTIVES
 <p>1. Strengthen the regional health workforce: Build our regional workforce; provide career pathways for people to train and stay in the regions; attract and retain healthcare staff; address culture and psychological safety, physical safety and racism in the workplace.</p>	<p>1.1 Invest in and promote rural generalism for allied health professionals, nurses and doctors 1.2 Prioritise the attraction and retention of healthcare professionals and non-clinical staff in regional NSW 1.3 Tailor and support career pathways for Aboriginal health staff with a focus on recruitment and retention 1.4 Expand training and upskilling opportunities, including across borders to build a pipeline of regionally based workers 1.5 Accelerate changes to scope of practice whilst maintaining quality and safety, encouraging innovative workforce models and recognition of staff experience and skills 1.6 Nurture culture, psychological and physical safety in all NSW Health workplaces and build positive work environments that allow staff to thrive</p>
 <p>2. Enable better access to safe, high quality and timely health services: Improve transport and assistance schemes; deliver appropriate services in the community; continue to embed virtual care as an option to complement face-to-face care and to provide multidisciplinary support to clinicians in regional settings.</p>	<p>2.1 Improve local transport solutions and travel assistance schemes, and address their affordability, to strengthen equitable access to care 2.2 Deliver appropriate services in the community that provide more sustainable solutions for access to healthcare closer to home 2.3 Leverage virtual care to improve access, whilst ensuring cultural and digital barriers are addressed 2.4 Enable seamless cross-border care and streamline pathways to specialist care ensuring access to the best patient care regardless of postcode 2.5 Drive and support improved clinical care, safety and quality outcomes for patients in hospitals and other settings 2.6 Align infrastructure and sustainable service planning around the needs of staff and communities and to enable virtual care</p>

PRIORITIES	KEY OBJECTIVES
 <p>3. Keep people healthy and well through prevention, early intervention and education: Prevent some of the most significant causes of poor health by working across government, community, and other organisations to tackle the social determinants of health; prepare and respond to threats to population health.</p>	<p>3.1 Address the social determinants of health in our communities by partnering across government, business and community</p> <p>3.2 Invest in mental health and make progress towards zero suicides</p> <p>3.3 Invest in maternity care and early childhood intervention and healthcare to give children the best start in life</p> <p>3.4 Invest in wellness, prevention and early detection</p> <p>3.5 Prevent, prepare for, respond to, and recover from pandemics and other threats to population health</p>
 <p>4. Keep communities informed, build engagement, seek feedback: Provide more information to communities about what health services are available and how to access them; empower the community to be involved in how health services are planned and delivered; increase responsiveness to patient experiences.</p>	<p>4.1 Encourage choice and control over health outcomes by investing in health literacy, awareness of services and access to information</p> <p>4.2 Engage communities through genuine consultation and shared decision-making in design of services and sustainable local health service development</p> <p>4.3 Support culturally appropriate care and cultural safety for zero tolerance for racism and discrimination in health settings</p> <p>4.4 Capture patient experience and feedback and use these insights to improve access, safety and quality of care</p> <p>4.5 Improve transparency of NSW Health decision-making and how it is perceived and understood by patients and the community</p>
 <p>5. Expand integration of primary, community and hospital care: Roll out effective, sustainable integrated models of care through collaboration between Commonwealth and NSW Government and non-Government organisations to drive improved access, outcomes and experiences.</p>	<p>5.1 Develop detailed designs for expanded primary care models and trial their implementation in regional NSW through working with the Commonwealth and National Cabinet, Primary Health Networks, Aboriginal Community Controlled Health Organisations, NGOs and other partners</p> <p>5.2 Address the employer model to support trainees and staff to work seamlessly across primary care, public, private settings and Aboriginal Community Controlled Health Organisations to deliver care to regional communities</p> <p>5.3 Improve access and equity of services for Aboriginal people and communities to support decision making at each stage of their health journey</p> <p>5.4 Develop 'place-based' health needs assessments and plans by working closely with Primary Health Networks, Aboriginal Community Controlled Health Organisations and other local organisations including youth organisations and use these to resource services to address priority needs</p>
 <p>6. Harness and evaluate innovation to support a sustainable health system: Continue to transform health services through aligned funding and resourcing models, digital and health technologies, research and environmental solutions.</p>	<p>6.1 Align NSW and Commonwealth funding and resourcing models to provide the financial resources to deliver optimal regional health services and health outcomes</p> <p>6.2 Fund and implement digital health investments and increase capability of workforce to deliver connected patient records, enable virtual care, provide insightful health data and streamline processes</p> <p>6.3 Undertake research and evaluation with institutions, industry partners, NGOs, consumers and carers</p> <p>6.4 Commit to environmental sustainability footprint for future regional healthcare</p>

2.3 NSW Government Priorities

There are several government priorities that NSW Health is responsible for delivering. These government priorities are usually reported to the Premier’s Department or The Cabinet Office through NSW Health Executive. Progress on government priorities allocated to Health is monitored by the Ministry of Health including:

- Election Commitments
- Charter Letter commitments
- Inquiry recommendations

2.4 NSW Health Outcome and Business Plan

The NSW Health Outcome and Business Plan is an agreement between the Minister for Health, the Secretary, NSW Health and the NSW Government setting out the outcomes and objectives that will be the focus for the current period. In 2022 NSW Health's Outcome Structure was realigned to the Future Health strategic framework. The revised state outcomes are:

- People are healthy and well
- Safe care is delivered within our community
- Safe emergency care is delivered
- Safe care is delivered within our hospitals
- Our staff are engaged and well supported
- Research and innovation and digital advances inform service delivery

To achieve these outcomes, NSW Health has set a series of ambitious targets and has a comprehensive program of change initiatives in place. These targets have been built into key performance indicators in the Service Agreement, the NSW Health Performance Framework, the NSW Health Purchasing Framework and the funding model.

3. NSW Health services and networks

Each NSW Health service is a part of integrated networks of clinical services that aim to ensure timely access to appropriate care for all eligible patients. The Organisation must ensure effective contribution, where applicable, to the operation of statewide and local networks of retrieval, specialty service transfer and inter-district networked specialty clinical services.

NSW Health acknowledges that the Network's strategic and operational planning is also developed as part of the strategic and operational plan for St Vincent's Health Australia group.

It also acknowledges that HealthShare and e-Health NSW services may be provided to the Network, under mutually agreed terms given the Organisation's status as a separate legal entity and an affiliated health organisation.

NSW Health acknowledges that as the Network operates as part of the St Vincent's Health Australia group of companies the Network may receive services from and provide services to other facilities within the St Vincent's Health Australia group.

SVHA takes a collaborative approach to health care and research on the Darlinghurst Campus working with partners Victor Chang Cardiac Research Institute, Garvan Institute of Medical Research and St Vincent's Private Hospital Sydney and the St Vincent's Clinic.

3.1 Cross district referral networks

Districts and Networks are part of a referral network with other relevant services, and must ensure the continued effective operation of these networks, especially the following (where applicable to the Organisation):

- Critical Care Tertiary Referral Networks and Transfer of Care (Adults) (PD2018_011)
- Interfacility Transfer Process for Adult Patients Requiring Specialist Care (PD2011_031)
- NSW Paediatric Clinical Care and Inter-hospital Transfer Arrangements (PD2023_019)
- Tiered Networking Arrangements for Perinatal Care in NSW (PD2020_014)
- Accessing inpatient mental health care for children and adolescents (IB2023_001)
- Adult Mental Health Intensive Care Networks (PD2019_024)
- State-wide Intellectual Disability Mental Health Hubs - (Services provided as per March 2019 Service Level Agreements with Sydney Children's Hospitals Network and Sydney Local Health District).

3.2 Supra LHD services

Under the New Health Technologies and Specialised Services policy (GL2022_012), Supra LHD services are provided across District and Network boundaries to provide equitable access for everyone in NSW.
